

BOHLSENRESTAURANTGROUP

Welcome Back

The safety of our guests and staff remains our number one priority. Please note a few important things as we welcome you back:

RESERVATIONS

Reservations are required and available by phone or online. In some cases a credit card may be required to hold the reservation.

VISIT DURATION

Due to our limited waiting area, we will be implementing a temporary time restriction policy. **Tables of 2 may stay for 90 minutes, tables of 3-6 may stay for 1 hour and 45 minutes. At this time, we are not taking parties larger than 6.**

MASKS

Our staff will be wearing masks onsite, both on the floor and in the kitchen, at all times. In accordance with government guidelines, **we must ask that you wear masks on site.** If this is a concern, we hope you will join us at a later date.

INCLEMENT WEATHER

If you are dining outside and inclement weather is approaching, we will pack your food for you so you can take it home, unless it is not already being prepared, in which case we can give you the option to cancel.

JUST FOR YOU

In addition to using disposable paper menus, we will provide single use condiments and no longer serve shared items such as bread for the table.

SQUEAKY CLEAN

We use a peroxide based sanitizer that is immediately effective at eliminating viruses. We use it frequently on high touch surfaces and at tables between seatings. Sanitizer will be available to you upon request. Our staff is well informed and understands the importance of frequent proper hand washing and personal hygiene and will be monitored prior to beginning of each shift for any COVID-19 symptoms.
